

**Monterey 194FS 2010** (exact same boat renamed by Monterey as the 204FS)

4.3 MPI with only 161 Hrs

Full annual service & winterize - All service receipts & stamps in log book

Comment by dealer - *"this boat is in the best condition of any boat I see ... looks 6 months old not 6 years"* any buyer could contact dealer to question them.

Not a scratch on the hull - everything is as new.

**Extras** - many thousands of pounds of extras

Full Bimini (though never been used) & Custom 2-part cockpit & bow cover

Full set of custom pop-in carpets

Full custom SeaDek to swim platform, upper transom and transom walk-through.

Monster MTK Tower professionally fitted by Wakeboard Towers UK .... best tower on the market and really compliments boat .. complete with wakeboard rack (Skyski rack shown will not be included)

Full Hydrophase watersports cruise control (similar to Perfect Pass ) ... multiple profiles can be set .. ski, kneeboard, wakeboard, skyski ... and it keeps speed to within 0.1mph ..... superb addition

High Five SS prop fitted to suit lower speed use, but would put standard prop back on (which is mint - not a single scuff on it). Stainless skeg guard fitted

Galvanized Indespension Super Roller Coaster trailer – including hub flush, with several extra rollers & supports to hold boat better - has had full brake & bearings service every year prior to season, all new brake shoes & cables last year.

Boat is washed & engine flushed with x-salt after every use ... kept in purpose built boat-shed, and out of season has overall cover and a dehumidifier running - no damp, mould or corrosion anywhere.

All cables, connectors, mechanisms & electronics treated annually with Marine corrosion inhibitor.

This boat is used for low speed towed watersports, never been hammered, beached, moored, anti-fouled - or abused in anyway, I really look after my boats.

Shows how good hull is – unmarked –

custom pop-in carpets

Custom SeaDek lower & upper bathing platform & walk thru

Front & Rear covers  
(pic before Seadek fitted)

Hydrophase cruise control

Perfect condition of  
Alpha drive
